The Industrial Turbine Services srl (ITS-Parts) is an European company, located in Romania, known in market as a global supplier of parts for turbomachinery designed by:

- Solar Turbines (Caterpillar)[®]
- GE (General Electric)[®]
- Ruston (Siemens)[®]

We can revert to own stock and to a worldwide inventory for a immediate client support with:

- ✓ New and Surplus OEM Parts (Original Equipment Manufacturer).
- ✓ Engineered Parts made in EU or USA.

Gas turbine end-users and repair/overhaul depots found in ITS-Parts an experienced, reliable, competitive source for all their gas turbine parts needs. Since the company was founded, ITS-Parts has been dedicated to one goal: complete customer satisfaction.

The company is available to its customers 24 hours a day, 365 days per year maintaining “on call” service for its customers. ITS-Parts does not use an Automated Attendant on its phone system, every call is answered by a customer service representative who can focus on what customers need at the time they need it.

We thank you for your interest in Industrial Turbine Services s.r.l (ITS-Parts)

Sincerely,

Nicolae Vasile
